

Australian Defence Magazine

is proud to award

Training Aircraft Systems Program Office

&

Hawker Pacific Pty Ltd

their

2009 DMO/Industry Team of the Year

Award for Excellence

Minor Acquisition Category

For your exemplary collaborative project management, risk sharing and innovation in delivering the B300 Interim Light Transport capability to the RAAF's Number 38 Squadron. Every aspect of this project challenged contemporary approaches to military aircraft acquisition and support. That it has proved so successful in delivering the required capability to schedule is a testament to the professionalism and dedication of your outstanding team.
